Measuring your space before purchasing an appliance is crucial to ensure a perfect fit and avoid installation complications. It enables proper planning, prevents damage, and guarantees that the appliance aligns with both functional and aesthetic requirements.

Use this checklist as a guide to measuring your area.

Measure the height of the space under the counter.
Be sure to measure in each corner.

Front right _____ inches
Front left _____ inches
Back right _____ inches
Back left _____ inches

Measure the depth of the space.

The purpose is to determine if there are any obstacles blocking the depth of the space, namely plumbing and electrical.

Left _____ inches
Center _____ inches
Right _____ inches

Is there a 110V receptical in the base cabinet?

Yes _____ No _____

Measure the width of the space between the cabinets.

Top front _____ inches
Top back _____ inches
Bottom front _____ inches
Bottom back _____ inches

Measure from the bottom of the countertop to the floor in front of the opening.

This will account for any new flooring that has been installed.

Left _____ inches

Yes _____ No _____

Take three pictures of your current dishwasher for reference: (1) a wide shot showing the dishwasher area, (2) showing where the toe-kick meets your flooring. (3) remove the toe-kick and take a picture underneath.

Does your current dishwasher have a custom wood panel attached to the door?

Yes ____ No ____

Please provide the dimensions of the wood panel.

There is a chance the panel may fit the new dishwasher.

Width _____ inches

Height _____ inches

Do you have hard surface countertops like granite?

These countertops need special installation procedures for the anti-tip brackets.

Yes ____ No ____

Locate your breaker panel and identify the breaker for the dishwasher.

The installer needs to turn off the power to your dishwasher during installation.

Locate the water shutoff valve.

In most cases, this is located under the sink and is attached to the hot water line of the faucet. This valve must be shut off prior to installation.
